

LET'S TALK ABOUT VACCINES!

DO YOU KNOW YOUR VACCINATION NEEDS?

Do you know which
vaccines are
recommended for
your age or health
situation?

If you have a chronic illness and or are aged over 65, have you thought about getting the flu vaccine, and other vaccines to protect you from preventable diseases?

How can a vaccine prevent my condition from worsening?

Are you up to date
with your vaccines?

When was the last time I received my vaccines?

Do I need to be vaccinated again if I already got vaccinated last year?

Do you have any
questions or
concerns about
vaccines?

What can I gain from getting vaccinated?

How safe and effective are vaccines?
